

## INDEX TO VOLUME 54

The volume is indexed by SUBJECTS, AUTHORS, and BOOK REVIEWS, in that order.

### SUBJECTS

#### **Abortion**

Psychodynamics of spontaneous abortion, 162

#### **Adolescent Pregnancy**

Behavioral and emotional functioning in children of adolescent mothers, 578

Black adolescents and youth: an endangered species, 6

#### **Adolescents**

Behavioral and emotional functioning in children of adolescent mothers, 578

Black adolescents and youth: an endangered species, 6

Childhood social adjustment, adolescent status, and young adult mental health, 595

Conjoint mother-daughter treatment: a beginning phase of psychotherapy with adolescent daughters of divorce, 490

Family history of illness in the seriously suicidal adolescent: a life-cycle approach, 390

Subgrouping conduct disordered adolescents by early risk factors, 603

#### **Adoption**

Postadoption experience of surrendering parents, 271

#### **American Orthopsychiatric Association**

Global view of mental health, 369

President, American Orthopsychiatric Association, 1984-85, 196

Twenty-first century orthopsychiatry: extragalactic to submolecular concerns, 364

#### **Behavioral Treatment**

Peer-mediated approaches to prompting children's social interaction: a review, 544

#### **Behavior Problems**

An evaluation of the validity of the diagnostic category of attention deficit disorder, 398

Clinical assessments and maternal judgments: concurrent and predictive relationships, 236

Hyperactives as young adults: past and current substance abuse and antisocial behavior, 415

Serving children with emotional or behavior disorders: implications for educational policy, 22

Subgrouping conduct disordered adolescents by early risk factors, 603

#### **Bereavement**

Postadoption experience of surrendering parents, 271

Psychodynamics of spontaneous abortion, 162

#### **Biological Factors**

Caffeine: implications of recent research for clinical practice, 375

Contribution of predispositional factors to the diagnosis of hyperactivity, 97

Gender differences in learning and adjustment problems in school: results of a longitudinal study, 110

#### **Caffeine**

Caffeine: implications of recent research for clinical practice, 375

#### **Child Abuse/Neglect**

Child maltreatment as a social problem: the neglect of neglect, 530

Lack of effects for home-based early intervention? some possible explanations, 33

Threat to place a child, 168

#### **Child Rearing and Development**

Behavioral and emotional functioning in children of adolescent mothers, 578

Clinical assessments and maternal judgments: concurrent and predictive relationships, 236

Culture and temperament: influences on infant temperament in three East African societies, 83

Father's contribution to child care: effects on children's perceptions of parental roles, 123

Maternal stress and social support: effects on the mother-infant relationship from birth to eighteen months, 224

Relationship of maternal perception and maternal behavior: a study of normal mothers and their infants, 210

School-based developmental facilitation groups for children of divorce: a preventive intervention, 613

Why girls are good: a constructivist perspective, 71

#### **Children**

Clinical assessments and maternal judgments: concurrent and predictive relationships, 236

#### **Child Abuse/Neglect**

Child maltreatment as a social problem: the neglect of neglect, 530

Lack of effects for home-based early intervention? some possible explanations, 33

Threat to place a child, 168

#### **Child Rearing and Development**

Behavioral and emotional functioning in children of adolescent mothers, 578

Clinical assessments and maternal judgments: concurrent and predictive relationships, 236

Culture and temperament: influences on infant temperament in three East African societies, 83

Father's contribution to child care: effects on children's perceptions of parental roles, 123

Maternal stress and social support: effects on the mother-infant relationship from birth to eighteen months, 224

Relationship of maternal perception and maternal behavior: a study of normal mothers and their infants, 210

School-based developmental facilitation groups for children of divorce: a preventive intervention, 613

Why girls are good: a constructivist perspective, 71

#### **Children**

Clinical assessments and maternal judgments: concurrent and predictive relationships, 236

Children of divorce: preliminary report of a ten-year follow-up of young children, 444

Divorce, socioeconomic status, and children's cognitive-social competence at school entry, 459

Gender differences in learning and adjustment problems in school: results of a longitudinal study, 110

Peer-mediated approaches to promoting children's social interaction: a review, 544

Recurrent abdominal pain and childhood depression: clinical observations of 23 children and their families, 146

School-based developmental facilitation groups for children of divorce: a preventive intervention, 613

Serving children with emotional or behavior disorders: implications for educational policy, 22

Threat to place a child, 168

Why girls are good: a constructivist perspective, 71

#### Clinic Operation

Recovering the past: patient and family review of children's old mental health treatment records, 290

Therapeutic space design: planning an inpatient children's unit, 624

#### Cognitive Development

Divorce, socioeconomic status, and cognitive-social competence at school entry, 459

Gender differences in learning and adjustment problems in school: results of a longitudinal study, 110.

#### Community Mental Health

Differentiating psychiatric readmissions from nonreadmissions, 426

Reassessing the revolving door: a developmental perspective on the young adult chronic patient, 281

Ten ways for a self-help group to fail, 648

Using community news media to broaden mental health center prevention efforts, 318

#### Confidentiality

Recovering the past: patient and family review of children's old mental health treatment records, 290

#### Culture

Black adolescents and youth: an endangered species, 6

Culture and temperament: influences on infant temperament in three East African societies, 83

Global view of mental health, 369

Twenty-first century orthopsychiatry: extragalactic to submolecular concerns, 364

Twenty-year follow-up of pupils in a special class for the mentally retarded: a study of a complete school community, 436

#### Cults

New religions and the myth of mind control, 322

#### Delinquency

Black adolescents and youth: an endangered species, 6

Hyperactives as young adults: past and current substance abuse and antisocial behavior, 415

#### Depression

Caffeine: implications of recent research for clinical practice, 375

Family history of illness in the seriously suicidal adolescent: a life-cycle approach, 390

Paranoid schizophrenia: an unorthodox view, 43

Recurrent abdominal pain and childhood depression: clinical observations of 23 children and their families, 146

Role behavior and psychological well-being: a comparison of men in one-job and two-job families, 137

#### Diagnosis and Classification

An evaluation of the validity of the diagnostic category of attention deficit disorder, 398

Contribution of predispositional factors to the diagnosis of hyperactivity, 97

Nonspecificity of mental illness, 326

Paranoid schizophrenia: an unorthodox view, 43

Recurrent abdominal pain and childhood depression: clinical observations of 23 children and their families, 146

Subgrouping conduct disordered adolescents by early risk factors, 603

#### Divorce/Custody

Children of divorce: preliminary report of a ten-year follow-up of young children, 444

Conjoint mother-daughter treatment: a beginning phase of psychotherapy with adolescent daughters of divorce, 490

Couples who file for divorce but change their minds, 469

Divorce, socioeconomic status, and children's cognitive-social competence at school entry, 459

Divorced fathers who win contested custody of their children: an exploratory study, 498

Findings from research on divorce: implications for professionals' skill development, 298

Joint custody: a critical analysis and appraisal, 199

School-based developmental facilitation groups for children of divorce: a preventive intervention, 613

Threat to place a child, 168

**Drug Use**

- Black adolescents and youth: an endangered species, 6  
Caffeine: implications of recent research for clinical practice, 375  
Hyperactives as young adults: past and current substance abuse and antisocial behavior, 415

**Eating Disorders**

- Group therapy for bulimic adults, 156

**Education**

- Black adolescents and youth: an endangered species, 6  
Gender differences in learning and adjustment problems in school: results of a longitudinal study, 110  
Serving children with emotional or behavior disorders: implications for educational policy, 22  
Subgrouping conduct disordered adolescents by early risk factors, 603  
Twenty-year follow-up of pupils in a special class for the mentally retarded: a study of a complete school community, 436

**Ethnicity/Race**

- Black adolescents and youth: an endangered species, 6  
Global view of mental health, 369  
Twenty-year follow-up of pupils in a special class for the mentally retarded: a study of a complete school community, 436

**Families**

- Family history of illness in the seriously suicidal adolescent: a life-cycle approach, 390  
Family systems approaches to wife battering: a feminist critique, 558  
Father's contribution to child care: effects on children's perceptions of parental roles, 123  
Recurrent abdominal pain and childhood depression: clinical observations of 23 children and their families, 146  
Role behavior and psychological well-being: a comparison of men in one-job and two-job families, 137

**Fathers**

- Divorced fathers who win contested custody of their children: an exploratory study, 498  
Father's contribution to child care: effects on children's perceptions of parental roles, 123

**Group Treatment**

- Group therapy for bulimic adults, 156  
School-based developmental facilitation groups for children of divorce: a preventive intervention, 613  
Ten ways for a self-help group to fail, 648

**Home Intervention**

- Home intervention for premature infants of low-income families, 263  
Lack of effects for home-based early intervention? some possible explanations, 33  
Relationship between maternal risk status and maternal sensitivity, 250

**Hospital/Residential Treatment**

- Differentiating psychiatric readmissions from nonreadmissions, 426  
Discharge planning for the high-risk neonate: a consultation-liaison role for the infant mental health specialist, 637  
Reassessing the revolving door: a developmental perspective on the young adult chronic patient, 281  
Therapeutic space design: planning an inpatient children's unit, 624

**Hyperactivity**

- An evaluation of the validity of the diagnostic category of attention deficit disorder, 398  
Contribution of predispositional factors to the diagnosis of hyperactivity, 97  
Hyperactives as young adults: past and current substance abuse and antisocial behavior, 415  
Nonspecificity of mental illness, 326

**Infants**

- Culture and temperament: influences on infant temperament in three East African societies, 83  
Deviations on exploration, attachment, and fear of strangers in high-risk and control infants at one year of age, 569  
Discharge planning for the high-risk neonate: a consultation-liaison role for the infant mental health specialist, 637  
Home intervention for premature infants of low-income families, 263  
Lack of effects for home-based early intervention? some possible explanations, 33  
Maternal stress and social support: effects on the mother-infant relationship from birth to eighteen months, 224  
Relationship between maternal risk status and maternal sensitivity, 250  
Relationship of maternal perception and maternal behavior: a study of normal mothers and their infants, 210

**Law and Legislation**

- Joint custody: a critical analysis and appraisal, 199  
New religions and the myth of mind control, 322  
Recovering the past: patient and family review of children's old mental health treatment records, 290

**Media**

- Findings from research on divorce: implications for professionals' skill development, 298
- Using community news media to broaden mental health center prevention efforts, 318

**Mental Retardation**

- Twenty-year follow-up of pupils in a special class for the mentally retarded: a study of a complete school community, 436

**Mother-Child Relationship**

- Behavioral and emotional functioning in children of adolescent mothers, 578
- Clinical assessments and maternal judgments: concurrent and predictive relationships, 236
- Conjoint mother-daughter treatment: a beginning phase of psychotherapy with adolescent daughters of divorce, 490
- Deviations on exploration, attachment, and fear of strangers in high-risk and control infants at one year of age, 569
- Maternal stress and social support: effects on the mother-infant relationship from birth to eighteen months, 224
- Relationship of maternal perception and maternal behavior: a study of normal mothers and their infants, 210

**Personality Development**

- Childhood social adjustment, adolescent status, and young adult mental health, 595
- Culture and temperament: influences on infant temperament in three East African societies, 83
- Why girls are good: a constructivist perspective, 71

**Poverty**

- Black adolescents and youth: an endangered species, 6
- Child maltreatment as a social problem: the neglect of neglect, 530
- Global view of mental health, 369
- Home intervention for premature infants of low-income families, 263
- Twenty-first century orthopsychiatry: extragalactic to submolecular concerns, 364

**Psychosomatic Symptoms**

- Recurrent abdominal pain and childhood depression: clinical observations of 23 children and their families, 146

**Religion**

- Global view of mental health, 369
- New religions and the myth of mind control, 322
- Twenty-first century orthopsychiatry: extragalactic to submolecular concerns, 364

**Schizophrenia**

- Nonspecificity of mental illness, 326
- Paranoid schizophrenia: an unorthodox view, 43

**Self-Concept**

- Reassessing the revolving door: a developmental perspective on the young adult chronic patient, 281
- Role behavior and psychological well-being: a comparison of men in one-job and two-job families, 137
- Why girls are good: a constructivist perspective, 71

**Self-Help**

- Ten ways for a self-help group to fail, 648

**Sex Roles**

- Family systems approaches to wife battering: a feminist critique, 558
- Father's contribution to child care: effects on children's perceptions of parental roles, 123
- Gender differences in learning and adjustment problems in school: results of a longitudinal study, 110
- Role behavior and psychological well-being: a comparison of men in one-job and two-job families, 137
- Why girls are good: a constructivist perspective, 71

**Social Class**

- Black adolescents and youth: an endangered species, 6
- Child maltreatment as a social problem: the neglect of neglect, 530
- Home intervention for premature infants of low-income families, 263
- Divorce, socioeconomic status, and children's cognitive-social competence at school entry, 459
- Role behavior and psychological well-being: a comparison of men in one-job and two-job families, 137

**Social Development**

- Childhood social adjustment, adolescent status, and young adult mental health, 595
- Deviations on exploration, attachment, and fear of strangers in high-risk and control infants at one year of age, 569
- Peer-mediated approaches to promoting children's social interaction: a review, 544
- Why girls are good: a constructivist perspective, 71

**Social Issues**

- Black adolescents and youth: an endangered species, 6

Child maltreatment as a social problem: the neglect of neglect, 530

New religions and the myth of mind control, 322

Preparation for nuclear war: the final madness, 524

Reassessing the revolving door: a developmental perspective on the young adult chronic patient, 281

#### **Social Policy**

Black adolescents and youth: an endangered species, 6

Child maltreatment as a social problem: the neglect of neglect, 530

Global view of mental health, 369

Joint custody: a critical analysis and appraisal, 199

Preparation for nuclear war: the final madness, 524

Postadoption experience of surrendering parents, 271

Reassessing the revolving door: a developmental perspective on the young adult chronic patient, 281

Twenty-first century orthopsychiatry: extragalactic to submolecular concerns, 364

#### **Stress/Trauma**

Couples who file for divorce but change their minds, 469

Maternal stress and social support: effects on the mother-infant relationship from birth to eighteen months, 224

Psychodynamics of spontaneous abortion, 162

Role behavior and psychological well-being: a comparison of men in one-job and two-job families, 137

#### **Suicide**

Black adolescents and youth: an endangered species, 6

Family history of illness in the seriously suicidal adolescent: a life-cycle approach, 390

#### **Violence**

Black adolescents and youth: an endangered species, 6

Family systems approaches to wife battering: a feminist critique, 558

#### **War and Peace**

Preparation for nuclear war: the final madness, 524

Twenty-first century orthopsychiatry: extragalactic to submolecular concerns, 364

#### **Women/Girls**

Conjoint mother-daughter treatment: a beginning phase of psychotherapy with adolescent daughters of divorce, 490

Family systems approaches to wife battering: a feminist critique, 558

Why girls are good: a constructivist perspective, 71

#### **Work/Employment**

Black adolescents and youth: an endangered species, 6

Role behavior and psychological well-being: a comparison of men in one-job and two-job families, 137

Twenty-first century orthopsychiatry: extragalactic to submolecular concerns, 364

Twenty-year follow-up of pupils in a special class for the mentally retarded: a study of a complete school community, 436

# AUTHORS

- Anastas, Jeane W., 110
- Belfer, Myron, 236
